Mono Multi Function Printer

RICOH IM 430F

Compact and Durable

The intelligent A4 mono multifunction printer to empower your workplace

Punching above its weight

Designed with space in mind the Ricoh IM 430F features a print speed of 43 pages per minute whilst supporting copying, printing, scanning, faxing and optional stapling.

It is suitable as a desktop device for small spaces or can be configured with up to 3 additional trays as a floor standing device providing a maximum paper input capacity of 2100 sheets including the bypass tray.

With access to Ricoh office solutions, let the Ricoh IM 430F be the flexible device to power your dynamic workplace.

Security in our DNA

Recognising your modern business security challenges, the Ricoh IM 430F ensures business information remains secure with robust security layers in place. Document confidentiality is maintained by suspending print jobs, and only releasing them when authentication is completed at the device. Network encryption ensures data transmission remains safe. The Ricoh IM 430F is equipped with Trusted Platform Module (TPM) that validates programs and firmware, preventing device boot up, if a compromise is detected.

Intuitive experience

Equipped with a 10.1" Smart Operation Panel (SOP), the Ricoh IM 430F allows an intuitive operating experience. Application and functions are seamlessly integrated with an easy-to-understand interface. Furthermore, the SOP can be customised to match your usage behaviour, allowing your devices to become your dependable print partner.
