Compact & high quality A4 B/W multifunctionals

The MP 301SP/MP 301SPF are fast black-and-white A4 multifunctionals in a compact design. They offer advanced print, copy, scan and fax functions, available via a large 4.3-inch colour touch panel. These innovative devices can easily replace several single-function devices and improve your workflow. Their small footprint saves valuable office space. Ricoh's next generation controller also gives you outstanding device management capabilities.

Productivity up

With fast printing, copying and scanning, there is no need to wait around for your output. To speed up even more, you can create your own settings and set shortcuts for complex operations. You can also print from SD/USB.

Simple to operate

With a tiltable 4.3-inch colour touch panel, the MP 301SP/MP 301SPF are very easy to operate. You can customise the home screen to show only the icons you need. You can even insert your company logo on the screen. In addition, full front access eases operation and maintenance.

Intelligent compact design

The MP 301SP/MP 301SPF have a smaller footprint than comparable MFPs. Their simple and intelligent cube design optimises desktop workspace. The dual-colour design concept promotes intuitive usability.

All-in-one performance

Next generation controller architecture

Featuring Ricoh's next generation controller, the MP 301SP/MP 301SPF interact intelligently with users, improving access to information. Intelligent workflow features include the ability to customize the control panel, browse and print directly from the web.

Reduced Total Cost of Ownership

Minimise costs as well as your environmental footprint with energy-saving features that reduce electricity consumption. A unique indicator gives an instant overview of your usage by device, month, week or even daily, to implement further Total Cost of Ownership reductions.

Highly secure

Standard security features include locked print, hold print, an embedded watermark, LDAP authentication, HDD overwrite and HDD encryption options to meet your company's security requirements.

Environmentally friendly

At Ricoh we help you lower your environmental footprint. The MP 301SP/MP 301SPF have eco-friendly features such as sleep mode, duplex printing and paperless fax. The Typical Electricity Consumption (1.5 kW/h) is lower than any other MFP running at 30 cpm. An eco-friendly indicator displays information to help you reduce paper usage.
