
CONSUMABLES RECYCLING PROGRAM

Close the Loop provides best-in-class sustainability solutions to help companies like yours enhance corporate social responsibility programs.

The following companies actively support Close the Loop's collection programs.

How:

1. Register online to start recycling now - <https://members.closestheLoop.com.au/register>
2. Once registered, you will receive your starter kit which contains a recycling box, 4 pre-labelled plastic bags and cables ties.
3. You can put anything that comes from inside a printer/photocopier/fax machine into the box.
4. Once the bag is nearly full, you can contact Close the Loop to request a recycling pickup
5. Please remove the bags from the boxes (the box stays with you) be sure to secure them properly using the bag ties provided to avoid any leakage and have the bags available for the pickup service.
