# Stability and Performance

Ensure uninterrupted workflow with print-on-demand from anywhere functionality

## Easy to change, long-lasting print cartridges

RICOH P 311 and M 320F offer an All-in-One print cartridge with a long-lasting 7,000 print yield. When you do need to replace the cartridge, there's no disruption to your workflow. Simply slot in the new one via the convenient full front-access design.

*\*Image shown is with optional tray*

## Easy document sharing digitally

The feature-rich RICOH M 320F multi-function printer is made for easy sharing of all your important information. The 35-sheet Automatic Reversing Document Feeder (ARDF) allows you to scan and send a full-colour presentation to colleagues for review instantly via multiple Scan-to capabilities, including Scan-to-Email, FTP, Folder, USB drive and more.

## Work from anywhere

Access and share all your documents even when not in the office via the RICOH Smart Device Connector app on your mobile device. Mopria® or AirPrint® lets you send print jobs directly to your RICOH printer from your mobile phone. Once you're back in the office, simply pair your Android® device via the Near Field Communications (NFC) tag on the printer to authenticate and transfer information and print.

## Security is in our DNA

Recognising your need to keep your data secure, we've added robust security layers. Protect confidential documents from unauthorised viewing with the Locked Print function. Network encryption also ensures data transmission remains secure.
